I have been involved with the St George District Cricket Club over a long period of time as a friend of the Club, a sponsor and a parent. As I am also in the cricket industry and an avid follower of the traditions of our wonderful game, I am possibly in the best situation to assess and recommend the Club to you. I believe St George District Cricket Club reflects the very essence of the game. It upholds the traditions and history of Sydney's Cricket club scene. **Welcome to St George Cricket. Following are packages of exceptional value. We are confident that excellent benefits will be provided at all levels.**

### **LINDWALL**                      **Signage at Hurstville Oval**

Ray Lindwall, one of Australia's finest speedsters, was an unusual character in a very tough profession. He didn't hate batsmen, rarely resorted to "assault and battery", had a most pleasant demeanour, was silky smooth in his approach and delivery yet could be lethally effective against the world's best.

The St. George, New South Wales, Queensland and Australian XI representative was accepted by players and pundits in every cricket country as the most magnificent fast bowler of his era and one of Australia's all-time greats. As a boy, Lindwall observed the style of Larwood, learnt from it and perhaps emulated the combined fluency and fury of the Englishman more closely than anyone. - [www.mcg.org.au](http://www.mcg.org.au)
